Experience **Phone AI**

SpiderX.AI | Phone AI

SpiderX Phone AI deploys AI voice agents that **outperform humans**, delivering **personalised, scalable interactions** with **zero downtime** on **PSTN and apps**.

- Allows **Interruption** during a call.
- Latency of average **750 ms**, for human like conversations.
- NVIDIA -based **Guardrails** - prevents conversations from going off-topic

24/7 Zero Downtime

Guardrails

PSTN and App Deployment

Both Inbound & Outbound calls

Autonomous Call Handling

Hyper-realistic Voice Agents

SpiderX.AI | Phone AI

With dynamic personalisation and **zero-effort AI training**, SpiderX ensures continuous **optimized knowledge discovery** and **Customer Experience** that drive growth —

no breaks

no headaches

no limits

SpiderX.AI

ENTERPRISE VOICE AI AGENTS

Deploy & Scale With Hyper-realistic & Autonomous Phone AI Agents
